Dear Parents and Carers

RE: SAT's Parents Meeting

We would like to invite you to attend a SATs workshop on **Monday 10th November** for parents and carers only at **3.45pm**.

During the meeting we will look at how SATs week will be conducted, expectations of pupils and ways in which you can support your child before and during test week. There will also be the opportunity to look through example SATs papers, alongside marking schemes, in order to gain a clearer understanding of what is required to achieve. I will also share when the SATs will be conducted and durations of each paper. As always, there will be time at the end of the meeting if you have any questions.

As always if you have any questions or queries, please do not hesitate to contact me.

Yours sincerely

Miss Brown
Year 6 Teacher
