

Thursday 29th January

Dear Parents and Carers,

RE: NSPCC Number Day!

We are excited to announce that on **Friday 6th February**, our school will be taking part in **NSPCC Number Day**, in partnership with **NSPCC Rocks (TT Rockstars)**!

To celebrate, children are invited to come to school **dressed as a digit or a Rock Star**– this could be a number of their choice or a creative interpretation of a Rock Star. Throughout the day, pupils will participate in a **TT Rockstars online competition** to see who can become a true rock star of maths! Classes will also engage in a variety of **fun mathematical activities**, designed to challenge, inspire, and develop a love of numbers for all children.

The aim of the day is to **raise the profile of mathematics** whilst also **raising funds for maths equipment within our school**. We will also be donating to the **NSPCC**. To take part in the day, we are kindly asking for a **donation from parents**.

This is a fantastic opportunity to celebrate maths, have fun with numbers, and support a great cause. We can't wait to see all the creative digit costumes and enjoy a day full of number-based challenges!

Thank you for your support.

Miss Masoud
