

## Year 5 Class Corner

This half-term, our Year 5 children had an exciting visit from the school nurse team, where they learned about healthy eating and even participated in a fun task guessing the amount of sugar in different foods! They discovered some surprising results and discussed this as a class. They also discussed the importance of brushing their teeth and reading food labels.

On Thursdays, our budding golfers have been practising their skills with great enthusiasm! The participation has been fantastic! In outdoor PE on Tuesdays, Year 5 are thoroughly enjoying their rounders unit, showcasing excellent fielding and teamwork!

In Literacy, we're diving into descriptive language and story writing, learning to include features such as parenthesis and figurative language to make our writing exciting to read! Meanwhile, in Maths, we have just started to explore degrees and angles. We have started to learn about the different types of angles and turns.

What a wonderful start to the half term. Keep up the great work, Year 5!

Mrs Cartwright and Mrs Rowaichi  
Year 5 Teachers
