

## Year 1 Class Corner

Over the last few weeks, Year 1 have been working incredibly hard and have enjoyed lots of exciting learning across the curriculum!

In Geography, we have started learning all about Sri Lanka. The children have loved discovering where it is in the world, learning about its tropical climate and exploring the amazing animals that live there. We have also been looking closely at the human and physical features of the capital city, Colombo. After half term, we will be comparing Colombo to where we live.

In English, we have thoroughly enjoyed reading the wonderful book *Moonlight Zoo*. The children were especially excited to begin learning about the genre of fables and were fully hooked into our new unit by creating their own fantastic animal masks. We have loved using our imaginations and discussing the important messages that fables can teach us.

In Maths, we have started learning about fractions. The children have been recognising and finding halves of shapes, objects and quantities and have shown great enthusiasm and confidence during practical activities.

Mrs Daly  
Year 1 Teacher
