

Careers Day

A Huge thank you to all of our volunteers for helping out with Careers Day today! The children have thoroughly enjoyed learning about a variety of different jobs and taking part in activities to inspire their futures. We can't wait to share photos of the day soon – keep an eye on our Facebook page.

Reminders

Reminder: Fidgets/soft toys

We'd like to share a gentle reminder that children should not bring fidget toys, sensory items or soft toys into school from home.

We know that some children benefit from using these resources, and where this is the case, we will provide suitable items in school to support their learning and regulation. This helps us make sure everything is used consistently and supports children in the best possible way.

Thank you, as always, for your understanding and support

First Aid

From Monday 15th June, we will be implementing a new first aid system where you will be informed via email of any first aid administered. This will replace the current blue slips given to children to improve our communication. Further information can be found in the letter sent out on Friday 5th June.

After School Provision

Polite reminder to please complete the Microsoft form for the potential after school provision if you haven't already done so. Please see below:

Class Corner – Year 6

Year 6 have had a wonderful start to Summer 2. We have continued reading our class book, *The Explorer*, and have thoroughly enjoyed this exciting adventure story. The children have completed some fantastic guided reading activities, exploring vocabulary choices and inferring characters' thoughts and feelings.

Last week, most of Year 6 had an incredible time on our residential trip. We enjoyed a range of exciting activities, including caving, climbing and tackling the giant zip line. The children were outstanding role models throughout the trip, and staff from Night Ninjas, the kitchen team and our group leaders all commented on how polite, respectful and well-behaved they were. We are incredibly proud of the way they threw themselves into every challenge and made the most of every opportunity.

This week, the children had a brilliant opportunity to hear from seven different professionals about their careers. Our visitors shared what they do, how they got into their roles and what they enjoy most about their work. The children asked thoughtful questions and engaged brilliantly with all of our guests.

In Maths, we have started a bakery-themed unit, where we are learning about profit, loss and purchasing. The children have shown great enthusiasm and have been applying their mathematical skills to real-life scenarios.

We have some fantastic events and activities planned to end the school year, and we can't wait to share updates and photos with you on Facebook. Thank you for your continued support as we enjoy the final weeks of Year 6 together!

Miss Brown
